It is observed from the enclosures that the amounts deposited are all the personal income by way of salary etc. These amounts do not come under business property of an enemy. With regard to the interview I had with your goodself yesterday, I have to inform you for your kind consideration, that the monthly expenses for the maintainance of my family of my mother and my two children amounts to Rs.250/-. I shall be very thankful if you could kindly grant me the above amount which would be of great help to us.

Sir Mirza M. Ismael

Dear Sir Mirza,

We have been officially informed that the Internment Camp will be moved up to Ahmednagar some time next week. I should therefore be much obliged if you could kindly make possible a concrete settlement (1) of the maintenance problem for my family and myself, as long as I am still in easy raech and able to have a personal discussion with my wife. My wife has already given you an estimate of the minimum of her requirements, and so have I of my own requirements. I shall be very much obliged if in fixing my wife's allowance you would consider the necessity of maintaining the motor car in a straggling place such as Bangalore.

This motor car presents another financial problem in connection with open instalments. I owe of this car still 9 instalments of Rs. 161.- (= Rs. 1449.-), the first of which falls due on October 15th, I am at present without any resources for meeting theese instalments. Failure to meet one instalment would probably entail loss of the car (which is in excellent condition - having done 12 ooo Miles - and reprsents a value of Rs. 2800.- to-day).

Besides the instalments in the car I owe for household bills about Rs. 800.-, which amount I have brought to the knowledge of Mr. Srinivasan before going to the internment camp.

My total uncovered liabilities therefore are:

Car instalments.....	Rs. 1449 .-
Household Bills.....	" 800 .-
	Rs. 2249 .-

which I cannot meet without some assistance. My only resources here consist in a claim which I have under my agreement, fo payment of my journey to Germany from Bangalore for self and wife the cost of which might be calculated at Rs. 120.- x 13 = 1560

under the agreement he would get 1st class from Bangalore to Bombay and 2nd class from Bombay to Germany + II class from Germany to Bangalore.

M. REITZ
GENERAL MANAGER,
GOVERNMENT PORCELAIN FACTORY.

~~41, INFANTRY ROAD,~~
7, Cunningham Rd.
BANGALORE, ~~Sept. 19th, 39~~
(SOUTH INDIA)

If it were possible to pay this amount to me now against my formal renouncement of this claim in my agreement, then this would go a long way towards covering my deficit, in fact practically cover the amount open on the car. This would still leave me with about Rs. 800.- to pay for which I am desirious of raising loan on the security of my car

I write to asl you whether I may presume to invoke your assistance in respect of this matter which naturally is of great concern to me in my present situation.

I beg your forgiveness in troubling you thus with my private affairs, but I have no other resource but your kind consideration and moreover, I am greatly troubled over this matter.

Assuring you of my deap obligation and respect

I am

Yours very truly

Mathias Reitz

P.S. May I add that I am preparing a general report on the affairs of the factory under my management which will be sent in a few days to the Government. Meanwhile it may be of interest for you to know that I understand through my wife that the remaining parts of machinery have now all arrived, but that no one seems to be able to erect them. It happens that three experts concerned with prsent erections are in this camp, viz. Dr. Conrad for the Washing Plant, the "Miag" expert especially sent here for the erection of the "Miag" machines, and myself to finish completion of the tile factory. It would be of great advantage if Mysore Government could manage to obtain their release for a short time. The tunnel kiln, it appears, arrived in Madras yesterday.

(1) Maintenance of

(a) Mr.Reitz and

(b) his family.

(a) In his letter dated the 14th September 1939 Mr.Reitz stated that Rs.100 per mensem would be his minimum requirement in camp. The provisional instructions do not contemplate any allowance to the internees. Those who pay Rs.3 per day will be put in class A and the others in class B. If Mr.Reitz cannot afford to pay anything he will be put in class B and the charges of his maintenance will be met by the Central Government. As Mr.Reitz is also outside Mysore no money can be paid to him without the permission of the Central Government. It would also make an inconvenient precedent if what is properly a charge on Mr.Reitz or the Central Government is paid by this Government.

(b) Mrs.Reitz estimates the cost of maintenance for herself, her mother and two children at Rs.250 per mensem. An enemy lady can get a monthly allowance of Rs.70 from the Central Government; but in his letter dated the 8th September 1939 the Dewan has promised to meet the minimum maintenance charges of any destitute German woman living in the State and in the case of Mrs. Kriegbaum, the Secretary to the Hon'ble the Resident is requested that the Government of Mysore may pay an allowance to her pending advice from the Political Department whether they intend to request the Indian

States to pay these charges. But even Mrs.Reitz is not living in the Mysore State as she is living in the C. & M. Station. But if maintenance has to be paid by this State according to the rates mentioned in the provisional instructions the charges for two women and 2 children at Rs.70 and Rs.30 each will come to Rs.200. Mrs.Reitz asks for Rs.250. Mr.Reitz urges that in fixing his wife's allowance the necessity of maintaining a car should also be taken into consideration.

(2) Payment of instalments amounting to nearly Rs. 1,450 on the motor car and household bills totalling Rs.800.

Mr.Reitz has been already given an advance of Rs.500 against the leave allowances admissible to him for a total service of 8 months though strictly speaking he was not entitled until the close of the contract of service. He is entitled under the contract to one first class fare from Bangalore to a port in India, single second class passage from there to any port in Europe and second railway fare from there to Bonn both for himself and his wife. Mr.Reitz calculates that these would come to Rs.1,700 and requests this Government to make an advance against this to cover the instalments on the car and for paying the household bills he wants another advance of Rs.800 on the security of the car and the car itself for the use of his wife and for maintaining the car he wants an allowance. These would not

be strictly admissible under the contract.

(3) Release of certain Germans for erecting the Kiln and other machinery in the porcelain factory. These are not likely to arrive in Bangalore for another month or 6 weeks. The building to house them will also not be ready for another two months. Mr.M.A. Srinivasan also tells me that Mr.Raghunath is quite capable of erecting the machinery after it arrives and it would not be necessary to get Mr.Reitz to do it.

I had a talk with Mr Trivelyan regarding the allowances to be paid to Mr & Mrs Reitz and family. Mr Trivelyan told me that so long as Mrs Reitz & her children remained in the U.S.A. it would be difficult to allow her maintenance charges more than that provided for under the regulations and even if the Mysore Govt. were prepared to supplement these allowances to some extent, it is doubtful if such allowance would be paid to her as in such a case the Defence Dept would reduce their grant correspondingly. In view of this, it seems to serve no useful purpose to ~~supplement the allowances~~ pursue the matter. As regards Mr Reitz, a reference might be made to the Govt

As regards the motor car, Even if we are able to find a sale for it, the Custodian of Enemy Property in the event may ask the Supplies to be handed over to him.

Mrs Reitz will have to be politely told that it is not possible for this Govt. to interfere with the arrangements made by the military authorities in regard to Enemy aliens, their families and their property

So long as they are in internment, it does not seem to be necessary for the Mysore Govt. to meet their maintenance charges. The Central Govt. will meet it at the scheduled rates. They will not be paid any salary during their internment. Under the Defence of India Rules, except with the permission of the Central Govt. no money can be paid nor can there be any contractual relationship.
